

AMVOX Proudly Introduces Flat Rate Pricing!

Did you hear the great news about Amvox Flat Rate Pricing? As of June 1, 1999, AMVOX® Voice Messaging implemented a *GREAT* savings on all network/remote messages.

What does this mean? You'll receive a set number of network/remote messages "bundled" with your Amvox service at a slight price increase -- no more network messaging bills!

Basic (E211): (100 free network messages) Takes calls and can receive and record messages. Allows a subscriber to receive and answer back messages. **Great for a new Independent Business Owner.** \$9.75

Enhanced (E-1012): (5,000 free network messages). Takes calls and records messages: Ability to make, give and answer messages around the world. **The perfect way to keep your group connected.** \$18.50

Premier (E-1013): (7,500 free network messages). Includes all the features of Enhanced - Plus - ability to send messages to multiple distribution lists and numbers, send messages with future delivery and the ability to create 49 distribution lists. **Great for leadership.** \$27.50

Premier Plus (E-2214): (25,000 free network messages). Includes all the features of Premier - Plus - ability to receive up to 60 messages and keep messages up to 10 days, and create up to 99 distribution lists. **Great for the Independent Business Owner on the go.** \$50.00

For any remote message over your monthly limit, you'll pay \$.10 per network message.

If you have a local site available, call now and transfer to your local site. Save time and money with AMVOX Global Communications.

If you're not connected, you just don't know...
